DUBAI HILLS ESTATE

Dubai Hills Estate is a collection of elegantly designed neighbourhoods where residents and visitors enjoy a balanced lifestyle amongst lush stretches of landscaped parks, gardens and winding walkways. Dubai Hills Estate is located in the heart of ‘new Dubai’. The ‘city ‘within a city’ features Dubai Hills Mall, Dubai Hills Park and a buzzing boulevard. Also located in the community are world-class schools, healthcare facilities, recreational areas and mosques. With major roads connecting Dubai Hills Estate to Downtown Dubai, the airport and the other Emirates, the residents of Dubai Hills have easy access to the destination of their choice.

Born out of experience and the belief that there is an ever-increasing need for independent co-living spaces, Socio is a purpose-built and purpose-designed residence for those that want to have shared experiences. Socio is a fresh, hip and colourful social hub that provides owners and tenants with private residences opening onto a variety of world-class shared amenities.
