WELCOMING

The feeling of hospitality never leaves you in Kensington Waters. From the moment you reach, a whole experience awaits, it starts with a hotel-like drop off area, warmly greeted by a concierge, and introduced into a sophisticated lobby graced with art pieces and elegant furniture.

THE PAVILION

A unified space where innovative lifestyle amenities come together between the project's towers. The pavilion provides a space for entertainment, socialization, and wellness. The amenities hub includes a clubhouse with a terrace, fitness center, indoor and outdoor kids play areas with splash pad, and semi-Olympic lap pool and leisure pool.

WELLNESS

Inspired by Dubai's 2040 Urban Masterplan strategy, Kensington Waters was designed with a focus on wellness. The project provides ample natural light and ventilation sources, fitness focused amenities, socialization and entertainment spaces. Located in a community with lush parklands, it provides quick access to Dubai's main hotspots supporting a balanced life for residents.

EV CHARGING STATIONS & BIKE STUDIO

Electric Vehicle charging stations are installed to accommodate residents' preferences and mobility. A dedicated bike studio features a parking and workshop corner for an added convenience.

THE BEDROOMS

The bedrooms at Kensington Waters create an environment that make every day memorable and relaxing. Heightened ceilings, durable porcelain flooring, and efficiently designed wardrobes and walk-in closets just make resting feel better. The perfectly proportioned windows let in a proper amount of light, leading to a lovely and wide balcony space.

THE KITCHENS

With custom-designed modern kitchen cabinets, high-quality European brand equipment, and premium, durable quartz worktops, the kitchen welcomes you into a world of creativity and originality.

THE BATHROOMS

The bathroom, as a space that prioritizes privacy and functionality, is fitted with international brand faucets and accessories. Taking into consideration customer habits, under cabinet lighting is an added feature, providing a soothing experience, even in the middle of the night.

SUSTAINABILITY

Committed to making eco-friendly decisions, Kensington Waters aims to meet Dubai Green Building requirements through using low maintenance and long-lifespan sustainable finishes, low-flow sanitaryware and LED lighting.

MOHAMMED BIN RASHID CITY

Mohammed Bin Rashid City is the next vibrant center of Dubai. The community is home to renowned International Schools, the world's biggest man-made lagoon, and Meydan One Mall. The community has easy access to three major highways in proximity to Downtown Dubai, Business Bay, Dubai Design District and DIFC.
