

MARBELLA

DAMAC
Lagoons

*Where some come to forget
and others to remember*

Welcome to an Andalusian

haven

Where every smile is

brighter

The Sun's

favourite child

Even on the Costa del Sol, it outshines all else.

Where *time* slows down

From the winding streets of
Casco Antiguo, to the ostensible
display of luxury at Puerto Banus...

Marbella is truly carefree.

Here is where you can take just a minute, to relax, and
see it easily stretch into an hour, a day, or perhaps, even
a week.

Yours

eternally

The olive tree garden is where those in love tie their hearts together till the end of days, cheered on by the singing of European forest birds.

Set within a tranquil olive tree orchard, this stunning wedding venue is unlike any other in Dubai, the perfect place to gently proclaim "I do".

A pleasant surprise

everyday

Marbella is full of little discoveries, with something new to uncover just around the corner.

Innovative pop-up malls constantly appear all over the hub, keeping things fresh with the latest in fashion, gadgets, and all else that brings you joy.

So take a stroll through Marbella, you never know what you'll find.

A walk to

remember

It wouldn't be Andalusia without Flamenco! Discover the joy of this highly expressive form of art at the beautiful Flamenco gardens.

A vibrant pink path zig-zags through a vast garden full of fragrant european flowers and verdant trees, while periodic performances of the traditional Spanish dance by professionals make you question if you truly are still in Dubai.

Come home to

marbella

Marbella is a mere vacation destination no longer.
The very essence of this resort town has been captured
at DAMAC Lagoons, from the smooth white exteriors of the
townhouses to the large windows, earthy wooden patterns
and subtle Mediterranean motifs.

Step into *Eden*

Marbella's soothing aura extends itself within the townhouses as well. There is an air of peace and tranquillity in the air here, amplified by the white interiors and wood finishing. The large windows serve as the perfect picture frames for a living landscape, and all of the Marbella hub's glory is yours to see from your abode.

The image features a solid teal background. Overlaid on this background are several thin, wavy orange lines that create a sense of movement and depth. The lines vary in thickness and curvature, some appearing as simple arcs while others form more complex, overlapping patterns. In the center of the image, the word "DAMAC" is written in a white, italicized, sans-serif font. The letters are bold and closely spaced, giving the logo a modern and professional appearance.
