**Working with ultimate zeal and passion, we had our breakthrough in the real estate world with our very first project, ‘SAMANA Greens’ launched in April 2018 in the heart of Arjan, Dubai. The project had its main structure completed in merely 8 months, and despite the tough pandemic times, it was successfully delivered in the year 2020.**

Both projects are in Arjan, Dubai and the company has plans to launch other new residential projects in the city this year as well.

"Two launches will happen in May 2021. One is a 155-million dirham [\$42 million] project in Jumeirah Village Circle, while the second project, valued at 100 million dirhams [\$27 million], is in Dubai Studio City.
